City Manager's Office

The City of La Porte is rich in history and built on community, delivering a safe and attractive environment for all walks of life.

March 14, 2024

Dear Members of the U.S. House Appropriations Committee,

I am writing on behalf of the City of La Porte to express my strong support for the allocation of Fiscal Year 2025 Community Project Funding for the development and enhancement of Sylvan Beach Park in La Porte. As a constituent deeply invested in the well-being and prosperity of our community, I believe that investing in this project will have significant positive impacts on economic development and the quality of life for residents.

One of the primary benefits of Sylvan Beach Park is its role in promoting outdoor recreation and healthy lifestyles, which in turn can stimulate local economic development. Enhancements to the park will attract visitors from near and far, boosting tourism and supporting local businesses. Additionally, investing in Sylvan Beach Park creates job opportunities in construction, maintenance, and tourism-related industries, contributing to the economic vitality of our community.

Investing in Sylvan Beach Park aligns with our shared goals of promoting healthy living, economic development, and community resilience. By supporting this project, we demonstrate our commitment to creating a vibrant future for all residents.

I urge you to prioritize the allocation of Fiscal Year 2025 Community Project Funding towards Sylvan Beach Park. Your support for this initiative will have a lasting and positive impact on our community for generations. Thank you for your attention to this important matter.

Sincerely,

Corby D. Alexander
City Manager
City of La Porte
