Good morning,

During our budget review we were advised that the CMO would like for us to purchase the MBIS Latent Expert Workstation this fiscal year for the amount of \$27,000 (I received an updated quote, and the amount is the same as discussed).

This is a specialty computer workstation , so the account number we will need funds moved to is 0015256-5218023 (CID- Computer Equipment).

Once the budget amendment is approved by City Council, we will move forward with completing a purchase requisition.

Thank you,

Michelle Calvert | Police Administrator
