

# **SERVICE AWARDS**

## **Walter Lee, Water Production Supervisor - 15 years of service**

In his current role, Walter leads the water production crew in the operation and maintenance of the systems that provide potable water to the La Porte community. It's a critical task that requires specialized knowledge and dedication and Walter demonstrates both consistently. While we are recognizing Walter for fifteen consecutive years of service, he originally joined the La Porte team in 2007 and has a total of seventeen years of service. He has worked as a Utility Operator, Meter Reader, Meter Reader Supervisor, Water Production Operator, and his current role.

We are fortunate to have Walter's knowledge and experience serving our community.

## **Beverly Jan Beard, Therapeutic Recreation Specialist - 25 years of service**

Jan Beard has served the La Porte community for 25 years in a variety of roles. Her list of job titles includes Sr. Service Coordinator, Seasonal Aquatics Coordinator, and her current role as a Therapeutic Recreation Specialist. Jan is a key member of the SPORT Division, serving members of our community with special needs. Program participants enjoy working with her as she leads arts and crafts, cooking, life skills, and other programs for them.

Jan is a tremendous asset not only to the program participants but the entire La Porte community.
